

**“Grant to all in this school
such strength of body,
clearness of mind and purity of heart
that Thy word may be heartily done
and Thy name glorified.”**

on the University's new campus in Shawnee, 1910*

UNIVERSITY

When Baptist pioneers in Oklahoma saw statehood around the corner, they wanted their sons and daughters to be ready for new opportunities. They understood that a distinctive education in a Christian college community would challenge and nurture students and equip them for service and leadership. Those pioneers knew their only chance for success rested in God's blessing. One hundred years later, Oklahoma Baptist University provides that distinctive Christ-centered education and equips students for new opportunities around the world. We still rely on God's blessing and we see evidence of that blessing every day.
